

# September 2021

The first month of school is (nearly) here-Welcome! Last month I provided a long list of upcoming activities and opportunities for your child reaching out into November. This month I am not relisting those options here in this newsletter, but instead I want to be sure to direct you to the BTLVA website where you can find a lot of great information in one location:

<https://betweenthelakesacademy.org/home/>

**Want to check out the list of upcoming events?**

Go to the website, click on news, and you can view previous months' newsletters.

**Want to see what time your student can meet for a regularly scheduled live interaction with their teacher? Or a teacher's office hours?**

Go to the website, click on schools, click on BTLVA calendar, and you can view the daily schedule-including days we are off for holidays and other breaks.

**Want to see when you need to RSVP for an upcoming event?**

Go to the website and check out the previous newsletter OR the BTLVA calendar-they are listed in both to accommodate whichever method you prefer.

*If you ever have a request for a particular field trip, event, or other gathering I would love to hear from you!*

**Dates to remember:** Be sure to check the BTLVA website calendar for more info.

9/3/2021 Party in the Park

9/21/2021 Picture Day

**We would love for you to share your First Day of School pictures on our Facebook page!** Go to and like/follow us at:

Facebook [Between the Lakes Virtual Academy](#)

Instagram [@betweenthelakes\\_virtualacademy](#)

Twitter @BTLVAcademy

Lastly, beyond the daily academics, education learning experiences, and social times, BTLVA will once again be offering CLUBS! Please contact each teacher directly for more information. If you look at the BTLVA calendar details (again, go to our website, click on schools, click on BTLVA calendar) for a club, and the teacher's email will be listed. At this time we are offering:

Gr 3-5 Zumba and Yoga with [Ms. Durant](#) on Fridays from 3-3:30

Gr 6-8 Yoga on Tuesdays with [Ms. Gruenke](#) from 2-2:30

Gr 6-8 Gaming and Coding on Wednesdays with [Ms. Wanty](#) from 2-3

***REMEMBER-There are no limits to your voyage!***
